

WALKER INNOVATION RAISES ADDITIONAL \$2.5 MILLION FROM SALE OF 1.25 MILLION SHARES OF UPSIDE STOCK

Retains Warrant to Purchase Additional 12.65 Million Shares of Upside

Stamford, CT – December 6, 2016 – Walker Innovation Inc. (OTCQB: WLKR) (“Walker Innovation” or the “Company”), an innovation services firm that helps companies improve their internal product and business development efforts and also owns a portfolio of its own intellectual property, today announced that it has raised an additional \$2.5 million from the sale of 1.25 million shares of Class A Common Stock in The Upside Commerce Group (“Upside”). The Company partially exercised its warrant to acquire the shares of Class A Common Stock at a price of \$0.06 per share.

Prior to the transaction, the Company held a warrant to purchase 13.9 million shares of Class A Common Stock in Upside. After giving effect to the sale, the Company retains a warrant to purchase an additional 12.65 million shares of Class A Common Stock, representing approximately 11% of Upside’s equity on a fully diluted basis, at an exercise price of \$0.06 per share.

With the Company in a significantly stronger position with respect to liquidity, the Company believes it no longer has a need to maintain its liquidity facility with Walker Digital, LLC and has thus terminated it, effective immediately. The Company had no borrowings under the facility.

“With this sale of Upside stock, we continue to strengthen the Company’s cash position, while retaining the majority of our Upside warrant,” said Jonathan Ellenthal, Chief Executive Officer of Walker Innovation. “We plan to use the proceeds to invest in our current strategy as well as explore additional opportunities to create value for our shareholders.”

Forward-Looking Statements

This press release may contain certain “forward-looking statements” that reflect the Company’s current expectations and projections about its future results, performance, prospects and opportunities. When used, the words “anticipate,” “believe,” “estimate,” “expect” and “intend” and words or phrases of similar import, as they relate to Walker Innovation, are intended to identify forward-looking statements. Such forward-looking statements include, in particular, projections about the Company’s future results, statements about its plans, strategies, business prospects, changes and trends in its business and the markets in which it operates.

Additionally, statements concerning future matters such as revenue levels, expense levels, and other statements regarding matters that are not historical are forward-looking statements. Management cautions that these forward-looking statements relate to future events or the Company’s future financial performance and are subject to business, economic, and other risks and uncertainties, both known and unknown, that may cause actual results, levels of activity, performance, or achievements of its business or its industry to be materially different from those expressed or implied by any forward-looking statements. Factors that could cause or contribute to such differences in results and outcomes include, but are not limited to, those discussed under the section entitled “Risk Factors” in the Company’s most recently filed Annual Report on Form 10-K and in any Risk Factors or cautionary statements contained in its Quarterly Reports on Form 10-Q or Current Reports on Form 8-K. Readers should carefully review this information as well as other risks and uncertainties described in other filings the Company makes with the Securities and Exchange Commission, or the SEC. The Company does not undertake any obligation to publicly update these forward-looking statements. As a result, investors should not place undue reliance on these forward-looking statements.
